

# Parent Discussion Group

**End of the year**  
**POTLUCK DINNER**

**Sibling Group and Childcare**  
**Wednesday, June 15<sup>th</sup>**  
**6:30 – 8:00**

Dear Parents,

Our **parent discussion group** offers you the chance to share parenting experiences, discuss community resources and ideas, and learn about upcoming conferences and new research. We can also offer support to one another in an informal and comfortable setting. **This is not an open house and the classroom staff and therapists will not be in attendance.**

The special **sibling discussion groups** (for children ages 6-12) is an opportunity for your child (or children) to interact with other children who have a sibling with special needs and may be experiencing similar feelings and concerns. The group will include various fun activities (games, cooking, discussion, art) designed to help children learn many new ways of playing and interacting with their sibling in a fun and understanding manner.

**Childcare** is also available for all Center for Spectrum students (or CSS alumni) and their siblings aged five and younger. Please be sure to inform us if your childcare needs change. We hire staff based on the number of children signed up to attend. We are asking for parents and children to use an at-home COVID test prior to attending this event, if tolerated. Kits will be provided.

----- Please return in your child's homebook -----

\_\_\_\_\_ I (we) will attend parent's group on Wednesday, June 15<sup>th</sup> (6:30-8:00)

\_\_\_\_\_ I can bring \_\_\_\_\_ main dish \_\_\_\_\_ side dish \_\_\_\_\_ dessert \_\_\_\_\_ drinks
